Evergreen or deciduous
Grown as an annual (not winter hardy). Performs well in Atlanta Zone 8a summer heat and humidity

Growth & Size
Rate: Not stated
Size: Trailing/spreading annual, typically 5–7 in tall and 36–48 in wide.
Mid-range ~6 in tall × 3–4 ft wide

Sun

Water

Soil
Average, well-drained soils

Zone 8a
Grown as an annual (not winter hardy).
Performs well in Atlanta Zone 8a summer heat and humidity

PLANTING NOTES

Establishment
Full sun. Space to allow spreading (12–24 in). Regular water and fertilizer for continuous bloom.
No trimming required for continuous flowering along stems

ORIGIN AND CHARACTERISTICS

Origin
Hybrid petunia cultivar in the Wave series

Form
Low, ground-hugging spreading habit. Masses of single pink flowers cover the plant from spring through frost. Dark green foliage. Creates a carpet of color. Ideal for beds, hanging baskets, and containers. Related Wave series cultivars available

Foliage
Not stated

Flowers and fruit
Not stated

Bark
Not stated

HEALTH

Health
Generally low-maintenance. Performs better than many petunias under heat and when botrytis is present.
