Zone 8a
Hardy in USDA Zones 7a–9b. Suitable for Atlanta Zone 8a. Aromi hybrid selected for heat tolerance. Glowing red-orange fragrant flowers in neat rounded clusters. Attracts bees, butterflies, and hummingbirds. 2008 American Rhododendron Society Rhododendr the Year

ORIGIN AND CHARACTERISTICS

Origin
Aromi hybrid deciduous azalea. Bred for heat and humidity tolerance in the South while retaining the fragrance and look of native deciduous azaleas. Awarded 2008 ARS Rhododendron of the Year

Form
Deciduous azalea. Rich red-orange glowing blossoms in neat rounded clusters atop bare stems in spring. Fragrant. Green foliage. Attracts pollinators. Combines native deciduous azalea character with hybrid vigor and heat tolerance. Aromi hybrid prized for glowing red-orange fragrant spring flowers and southern heat tolerance. 2008 ARS Rhododendron of the Year. Combines native deciduous azalea qualities with garden reliability. Attracts pollinators
