QUICK FACTS

Plant type
Tree

Evergreen or deciduous
Semi-evergreen to tardily deciduous hybrid. Leaves leathery, oblanceolate, 3–6 in long, dark green, margins entire to shallowly lobed. Fall color yellow, red, or burgundy when leaves drop. Bark smooth gray when young, becoming furrowed with age. Acorns enclosed one-third to three-quarters by the cup. (NC State Extension; International Oak Society)

Growth & Size
Rate: Not stated
Size: 60–80 ft tall and wide. Variable form intermediate between parents; some more upright, others broader. (NC State Extension; SelecTree)
